

## NSETRIA2016

Robotics is a rapidly growing field, as technological advances continue; researching, designing, and building new robots serve various practical purposes, whether domestically, commercially, or militarily. The biggest benefit of automation is that it saves labour; however, it is also used to save energy and materials and to improve quality, accuracy and precision. The objective of the **NSETRIA2016** is to introduce the state-of-the-art techniques in Robotics and Industrial Automation to the budding engineers and academicians to enable them to take up challenging assignments in the future. Theoretical aspects of automation systems and their implementation aspects will be discussed during the program.

## Important Dates

Last Date of Registration: **19th October, 2016.**

Confirmation Date: **19th October, 2016.**

## Registration Fees

Delegates from Academia: ₹ 500/-

Delegates from Industry: ₹ 1000/-

Research Scholars: ₹ 100/-

Students of UG and PG: **NIL**

## Speakers (Confirmed so far)

Prof. Alok Kanti Deb, IIT, Kharagpur

Prof. Subhasis Bhaumik, IEST, Shibpur

Prof. Rajib Bandyopadhyay, Jadavpur University

Prof. Abhijit Chandra, Jadavpur University

Prof. Manas Kumar Bera, NIT, Silchar

Dr. S Majumder, CSIR-CMERI, Durgapur

Dr. Dip N Ray, CSIR-CMERI, Durgapur

Er. Vikrant Kumar, IOCL Haldia

Er. Ashish Kr. Dey, Danieli India Ltd., Kolkata

Er. Anirban Jyoti Ray, Schneider Electric System

Er. Siddhartha Ghosh, Tata Power Company Limited

Organized by

Department of Applied Electronics & Instrumentation Engineering

**Bankura Unnayani Institute of Engineering, Bankura, West Bengal 722146**

Sponsored by

**Technical Education Quality Improvement Programme (TEQIP) - Phase II**  
(A MHRD, Govt. of India Project)

# NATIONAL SEMINAR ON EMERGING TRENDS IN ROBOTICS IN INDUSTRIAL AUTOMATION

**October 22 ~ 24  
2016**  
**Bankura, West Bengal**

For any further information/query, please contact  
Prof. Santanu Mallick

(Convener) +91 94343 85218

Prof. Jyoti Prasad Singha Thakur

(Co-convener) +91 94341 78150
