Notice

Subject: Approval of Innovation & Entrepreneurship (I&E) Policy

Dear Stakeholders, Faculty Members and Students

We are pleased to announce that the Innovation & Entrepreneurship (I&E) Policy has been officially approved. This policy aims to foster a culture of innovation and entrepreneurship within our institution, providing a structured framework to support creative ideas and entrepreneurial ventures.

Key Highlights of the I&E Policy:

1. Support for Startups:
 - Provision of incubation facilities and mentorship programs.
 - Access to funding opportunities and investor networks.
2. Intellectual Property Rights (IPR):
 - Guidelines for the protection and commercialization of intellectual property.
 - Support for patent filing and legal assistance.
3. Collaboration and Networking:
 - Encouragement of interdisciplinary collaboration among students and faculty.
 - Opportunities for partnerships with industry leaders and research organizations.
4. Training and Workshops:
 - Regular workshops, seminars and training sessions on entrepreneurship and innovation.
 - Access to resources and tools for skill development.
